

Scrappy Double 4-Patch

Creating Double 4-Patches

For each block you need the following:

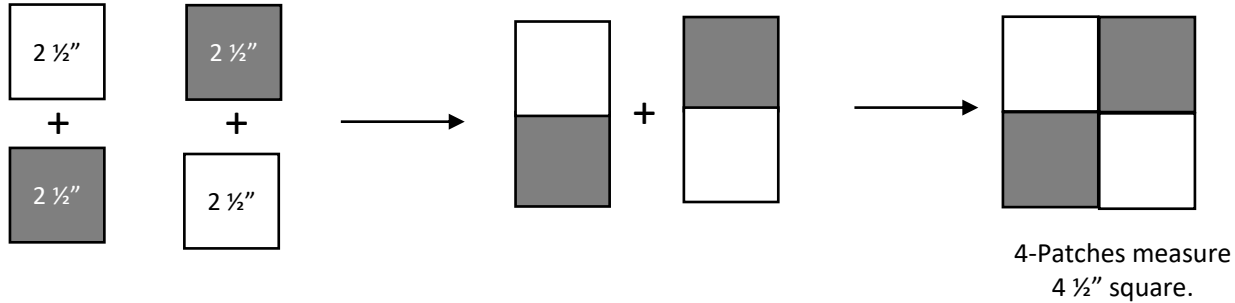

Scrappy Colors

2 ½" squares – 4

Background Colors

2 ½" Squares – 4

4 ½" Squares - 2

If you have leftover 2 ½" strips or Jelly Rolls, then you can create your 4-Patches as shown below.

Layer right sides together. Sew down the lengthwise edge of the strip. Press the seam allowance toward the darker color. The strip should measure 4 ½" x length of the strip.

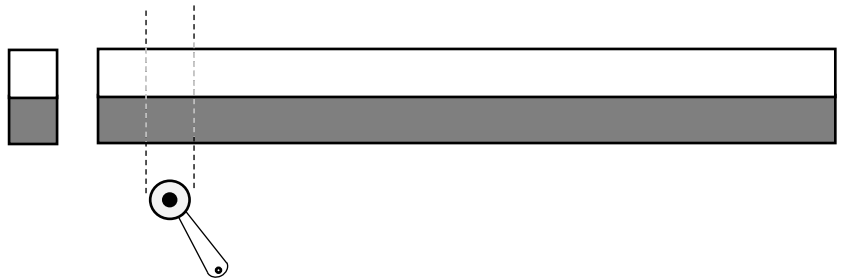

Hint: When pressing, be careful not to skew the strip.

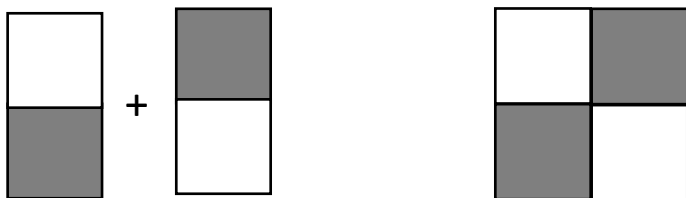

Create 2 strips measuring 4 ½" x WOF

Subcut the strips into 2 ½" units.

Layer units with the opposite colors facing. Sew down the length. Press seam allowance to the side. Create 4-Patches measuring 4 ½" .

Create as many 4-Patches you need for your project.

Row 2:

Double 4-Patch measuring 8 ½".

Create as many Double 4-Patches as needed for your project. Play with the layout, turning the block to create a secondary pattern, as shown here and on the front page. Don't let that limit your creativity.
