# Scrappy Irish Chain Block

10 ½" block

Fabric and Cutting Directions for 1 block:

Background
  2 ½" squares – 2
  2 ½" x 4 ½" rectangles – 2
  2 ½" x 6 ½" rectangles – 2

Scrappy Colors
  2 ½" squares - 13

Sew units into rows, measuring 2 ½" x 10 ½". Sew rows together to create a 10 ½" block.
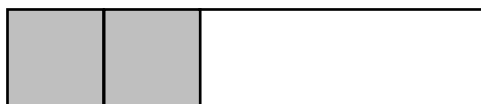

Row 1:

Row 2:

Row 3:

Row 4:

Row 5:

Think about your layout. If you want the rings as shown on the last page, you will need an even number of blocks – for example, a 6 x 8 layout for a total of 48 blocks.

Scrappy Irish Chain Block

Block Diagram

Use this as a swatch page if you plan on doing a more controlled scrappy (same fabric or color in the same place in the block).

Scrappy Irish Chain Block

10 ½" block

Here are a couple of examples of a layout; there are a couple of options you could do. Take a few minutes to play with different designs to find what makes you happy.

Do not limit yourself to the number of blocks shown.
