

## Step 4 – Creating 4-Patches

### Scrappy Fabric

2" scrappy squares - 2 per block

Queen – 200

Twin – 172

Lap - 144

### Background Fabric

2" squares - 2 per block

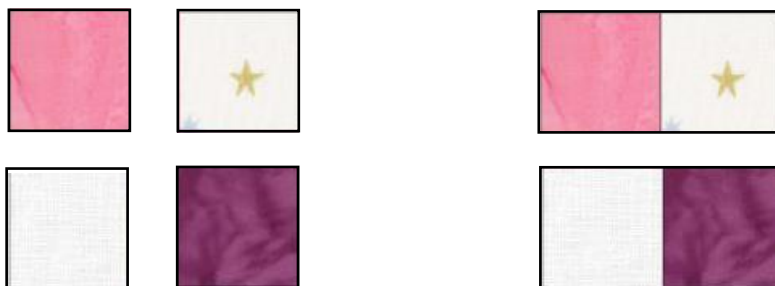

Queen – 200

Twin – 172

Lap – 144

Create 2-patches (see chart to the right for the number of 2-patches needed for your size). Match a scrappy 2" square with a background 2" square. The 2-patches should measure 2" x 3 1/2". Press the seam allowance toward the scrappy color.

Sew the 2-patches together with the scrappy color opposite the background color. The 4-patches should measure 3 1/2".

This is a great block for chain sewing.

Other than the number of blocks needed, this is an easy step.

### Number of blocks needed:

Queen – 100

Twin – 86

lap - 72
