

## Step Eight: Creating Block 2

You'll need the following:

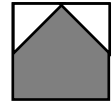

-  Light:  
2 1/2" squares - 9
-  Medium-Light:  
2 1/2" squares - 36
-  Medium-Dark:  
2 1/2" squares - 36

4-Patches #2 - 72

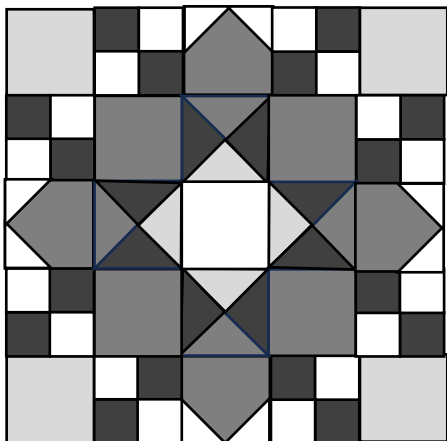

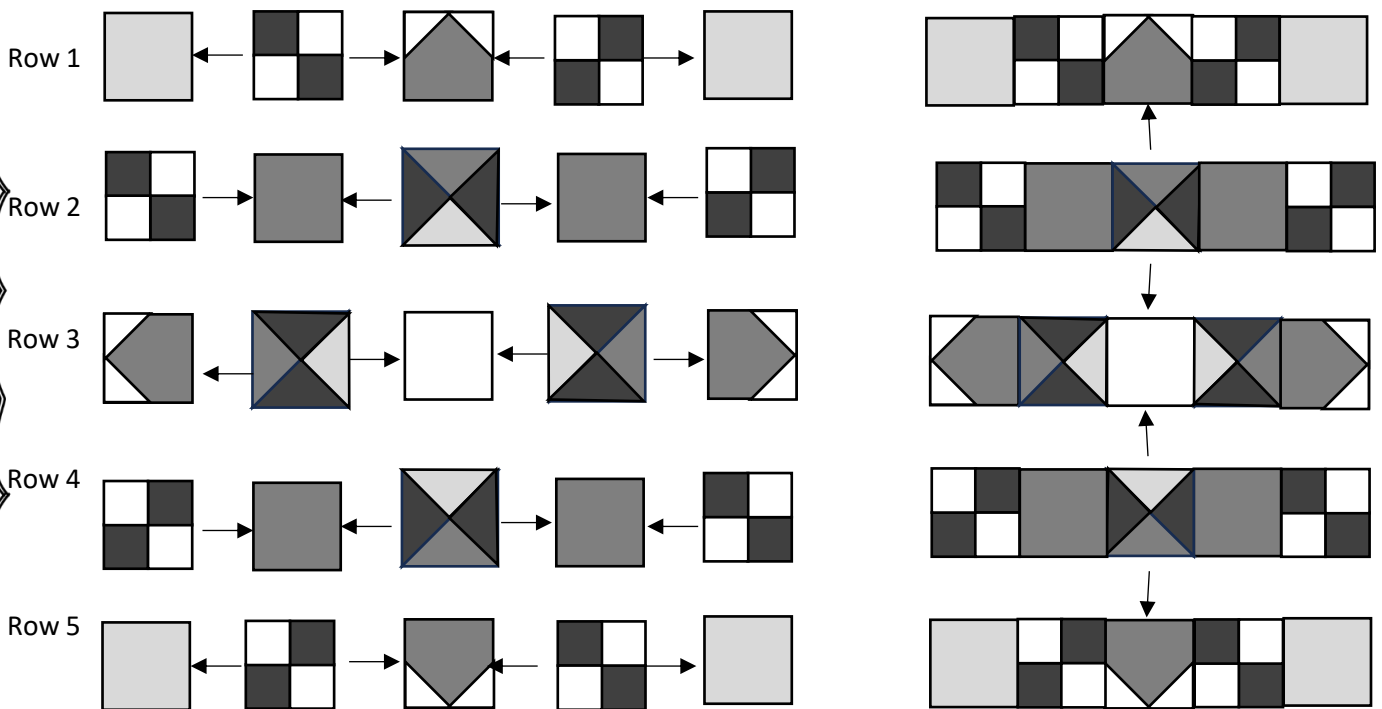

QST3 - 36

HT2 - 36

Using the diagram below, sew the units into rows. **Pay close attention to the orientation of the units**, otherwise you will lose the emerging pattern. Press the seam allowance in the direction of the arrow. Each row should measure 2 1/2" x 10 1/2". Sew the rows together. Press the seam allowance in the direction of the arrows.

Create 9 blocks measuring 10 1/2".  
Label them Block #2.
