

## Step Sixteen: Pieced Border

You'll need the following:

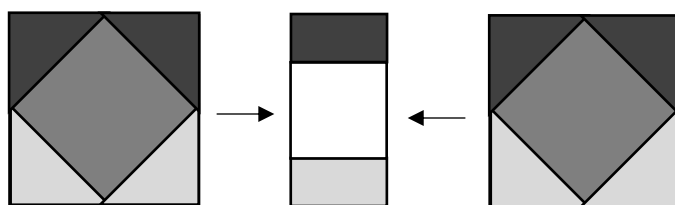

SIAS - 48

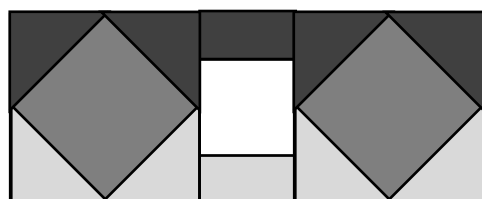

3R -24

Using the diagram below, sew the units into a row. ***Pay close attention to the orientation of the units***, otherwise you will lose the emerging pattern. Press the seam allowance in the direction of the arrow. Each pieced border block should measure 4 1/2" x 10 1/2". Sew the rows together. Press the seam allowance in the direction of the arrows.

Notice that the Dark fabrics are all at the top.

Create 24 blocks that measure 4 1/2" x 10 1/2"
