November 2026 Block of the Month

You'll need the following:

Background
- 2"x9 1/2" rectangles – 4
- 2" x 3 ½" rectangles - 4
- 2" squares – 12 (draw diagonal line on wrong side)
- 3 ½" squares – 1

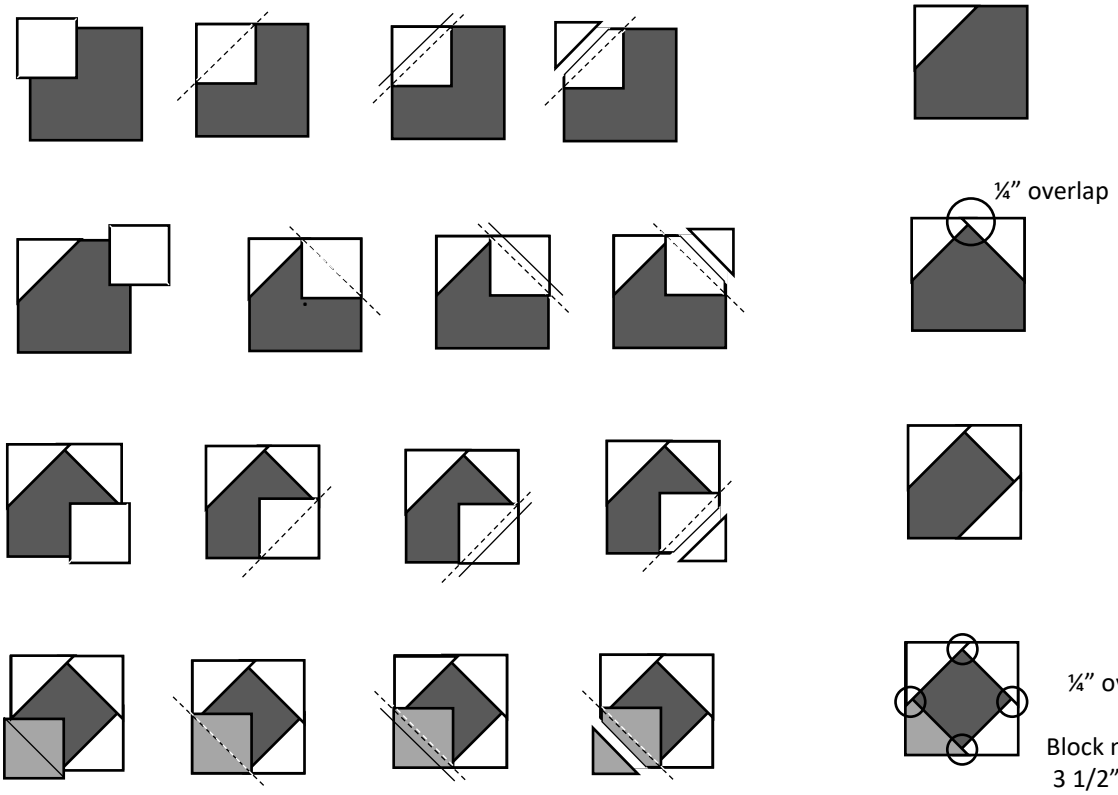

Color #1
- 2" x 3 ½" rectangles – 4

Color #2
- 2" squares – 12 (draw diagonal line on wrong side)

Color #3
- 2" squares – 4
- 3 ½" squares - 4

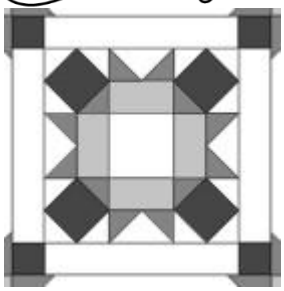

Layer Background 2" square on the Color #3 3 ½" square, right sides together, as shown in the diagram. Pay attention to the direction of the drawn line on the Background squares. Sew on the drawn line. Trim ¼" from the line toward the outside corner. Repeat the process all the way around, using the Background squares for three corners and the Color #2 squares for one corner, as shown below

Hint: When pressing, be careful not to stretch the unit.

November 2026 Block of the Month

Layer Color #2 2” square on the Background 2” x 3 ½” rectangle, right sides together, as shown in the diagram. Pay attention to the direction of the drawn line. Sew on the drawn line. Trim ¼” from the line toward the outside corner. Carefully press the Color #2 piece toward the outside without stretching it. Repeat on the other corner as shown in the diagram. Pay close attention to the direction you are sewing that second square. Create 4 flying geese measuring 2” x 3 ½”.

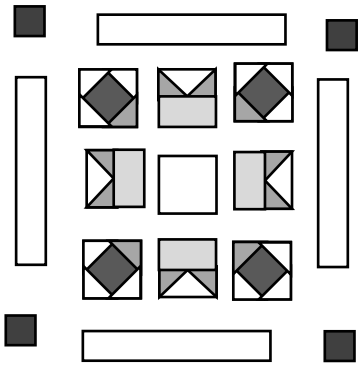

Add the Color #1 rectangles to the Flying Geese units as shown. Press the seam allowance toward Color #1. Create 4 units measuring 3 ½” square.

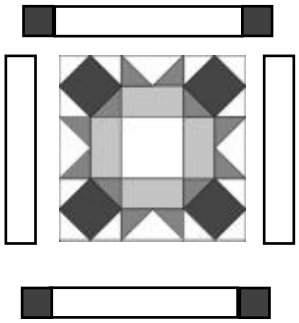

Lay out the units as shown in Step 1 below. Sew the rows together as shown in Step 2. This is another block where the outside block border is a pieced one. Pay close attention to the orientation of the units. Sew the rows together as shown in Step 3. Press the seam allowance to the side. Your block should measure 12 1/2”.
